eDues

You still have time to take advantage of a \$30 member rebate offer by paying your dues in full by October 31st!!

If your hours increased or decreased your dues amount will change. It may take a few weeks for everything to catch up in your eDues account, so you may not see the change until your November billing is received. Everyone should visit MEA to review their eDue preferences.

ALSO, if you returned from any type of leave, you will need to contact MEA membership to re-establish your eDues payment preferences.

Please watch for a Survey Monkey survey!

Your responsibility as a Union Member:

The only way the Union leader-
 ship can benefit YOU is if we
 know when you are having an
 issue! It is the responsibility of
 our membership to let a Union
 delegate know when something
 is going on in your area that
 does not seem right. Even if you are
 unsure!! It can only benefit you to keep your
 delegates informed!
